

Run the Gauntlet

How to Play?

- Divide children into two teams – A and B.
- Team A stands along the top of the hall and team B stand down along the two sides of the hall in two zones.
- Team A try to get from top of the hall to the bottom of the hall without being hit by a foam ball below the knees.
- If they succeed they gain a point for their team.
- If hit below the knees they are eliminated from the game.
- Team A keeps running for score until whole team out.

Run the Gauntlet

Make it harder

- Increase the number of balls.
- Increase the number of throwers.
- Use smaller balls.

Make it easier

- Make the throw zone smaller.
- Use less balls.
- Children rolls or bounce pass ball rather than throw.
- Less throwers than runners.
