Spiders & Flies

How to Play?

- Select 2/3 children to be spiders and remainder of class become flies.
- Flies stand at zone A and B and spiders stand inside zone C.
- Flies must travel from zone A or B to opposite zone passing through zone C without being tagged by a spider.
- Flies tagged by spiders then must go to the spiders web which is a conned off area in corner.
- At the end of an allocated time spiders must pretend to attack and eat flies caught in web.

Spiders & Flies

Make it harder

- Add more spiders.
- Increase the size of zone c.
- Limit time flies can stay in zone A & B.

Make it easier

- Start with 1 spider.
- Limit spider to a smaller space.
- Let flies stay in zone A & B for a longer period of time.
